

Job Title: Off-Airport Shuttle Driver

Job Description: We are seeking an exceptional and organized individual who thrives in a fast-paced environment, prioritizes customer service excellence, and has a passion for providing outstanding customer experiences. This individual possesses extreme care and attention to completing tasks.

Key Duties and Responsibilities:

- Safely and reliably transport passengers between Summit Airport Parking locations and the Airport terminals.
- Extend a warm and professional greeting to customers.
- Assist with luggage, ensuring proper storage and security for transportation.
- Maintain communication with supervisors and team members to uphold service levels at all stops throughout your shift.

Requirements:

- Possession of a valid class 5 driver's license.
- A minimum of 3 years of driving experience in Canada.
- A clean driving record (please provide a driver's abstract).
- Capability to assist with luggage weighing up to 50 lbs.
- Strong customer service orientation.
- Excellent communication skills.

Benefits:

- Competitive wages.
- Flexible schedule.
- A rewarding career working with a dynamic team of professionals.
- Long-term and stable employment within a growing and evolving locally-owned and operated organization.
- Opportunities for continued learning and professional development.
